

BVQ 2010 UFO/USO CHALLENGE

Once again, we are challenging you to dredge out and complete a UFO (UnFinished Object! How many can you finish? Sometimes we need a deadline to motivate us!

The rules are simple: the project must have been started before 2010 and finished in 2009 or 2010. And it doesn't even have to be your own UFO! How about those quilt blocks you found in your grandma's attic? Or the baby quilt your mama started 20-some years ago for your son who is getting married this summer?

*** NEW THIS YEAR!...the USO Challenge! ***

Most of us have UnStarted Objects - you know, those piles of coordinating fabrics in a box with a book or pattern, or that sketch you'd filed just waiting for the inspiration to start working on it. **START IT NOW** and finish it for the show!!

To enter the Challenge, fill out this form and attach it to a completed BVQ 2010 Quilt Show entry form. Be sure to check the "BVQ UFO Challenge" box under Special Categories. (Your UFO/USO Challenge entry can be entered for judging or for display only.) Prizes will be awarded for oldest UFO, oldest USO, the most deviation from the original plan or idea, and most UFOs completed. Have fun!!

Entrant's name: _____

Name of quilt: _____

Check one: **UFO** **USO**

Started by: _____ Completed by: _____

Date started: _____ Date completed: _____

Description: (include the purpose or intended recipient, what caused the quilter to procrastinate starting or finishing it, how the finished piece deviated or evolved from the original plan or idea, etc.)

For BVQ use only: Entry # _____
